Subject: Invitation to Participate in the 5th National Math Carnival-2026

Respected Sir/Madam,

We extend our warmest greetings and heartfelt regards to you and the entire academic community of your esteemed institution. It is with great enthusiasm and honor that we announce the 5th National Math Carnival 2026 – a prestigious national-level mathematics competition that has, over the years, grown into one of the most anticipated academic events in the country. Following the remarkable success of our previous editions, this year's carnival promises to be grander, more competitive, and more rewarding than ever before. The event will be held from 12th September to 13th September, 2026.

We are pleased to inform you that, in organizing this year's carnival, we have already extended invitations to more than 40 institutions across the country, and your institution is among the distinguished few we have specially selected for this carnival. We sincerely call upon your institution to participate in the 5th National Math Carnival-2026 and allow your students the opportunity to compete, grow, and shine on a national stage.

We humbly seek your fullest cooperation and support in making this event a success. Specifically, we kindly request that your institution designate 3 (three) Campus Ambassadors (CAs) to oversee and facilitate the registration process at your end. From among these three individuals, 2 (two) will be assigned operational responsibilities and entrusted with all necessary tasks related to coordinating your institution's participation in the carnival.

We believe that with your generous support and active involvement, this event will reach new heights of excellence. Your participation would not only be a source of inspiration for your students but would also contribute meaningfully to the broader goal of promoting mathematics at the national level. We eagerly look forward to your positive response and wholehearted cooperation.

Subject: Invitation to Participate in the 5th Intra Math Carnival 2026

Respected Sir/Madam,

We extend our warmest greetings and heartfelt regards to you and the entire academic community of your esteemed institution.

It is with great enthusiasm and honor that we announce the 5th Intra Math Carnival 2026 – a prestigious national-level mathematics competition that has, over the years, grown into one of the most anticipated academic events in the country. Following the remarkable success of our previous editions, this year's carnival promises to be grander, more competitive, and more rewarding than ever before. This event will be held in 31 July 2026.

We are pleased to inform you that, in organizing this year's carnival, your institution is among the distinguished few we have specially selected for this honor. We sincerely call upon your institution to participate in the 5th Intra Math Carnival 2026 and allow your students the opportunity to compete, grow, and shine on a national stage. We hereby request you for participation of students along with two dedicated school teams for our Academic Alpha segment for Secondary and Higher Secondary Categories. Each team should contain 2 members with a registration fee of 200 Taka only.

We believe that with your generous support and active involvement, this event will reach new heights of excellence. Your participation would not only be a source of inspiration for your students but would also contribute meaningfully to the broader goal of promoting mathematics at the national level.

For more details check out our Facebook page: <https://www.facebook.com/gregorianmathclub>

We eagerly look forward to your positive response and wholehearted cooperation.
